# Apple Dock A/V cable, 30pin/M - 3x RCA/M + USB type A/M

**DB-600101-015-W**
**EAN 4016032293736**

## Original Manufacturer Quality

Ideally to connect an Apple iPod ® , iPhone ® or iPad ® over the component video plugs (RCA) with a television or a HiFi-system. Beyond that, with the USB plug you have the opportunity to charge the devices over an USB battery charger or computer, with concurrent audio/video-playback.
